Dear Mr. Sprague....

My piece in LOOK will appear on April 1st, in the LOOK issue dated April 15th.

As I said in our telephone conversation, they had it scheduled for their issue dated April 29th and on sale on the 15th.

But, at considerable expense, they have re-made their earlier issue; and copies of it will start reaching their mail subscribers as early as March 29th or 30th.

So I can perhaps have you shown my piece, along with the pieces by Hanes and Foreman, on Friday the 28th.

My book, HE SLEW THE DREAMER, will be published about May 10th; and it should be completed by April 1-5.

Best wishes,

(signed) Bill Huie
